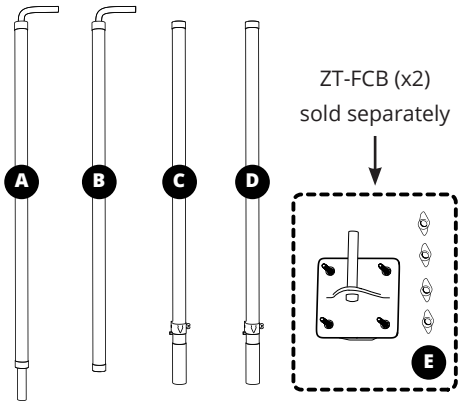
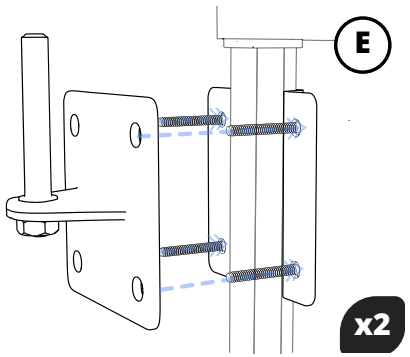
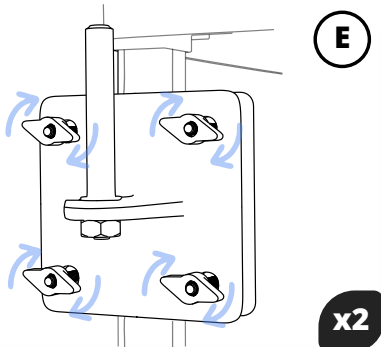
Assembly of the hardware and graphic



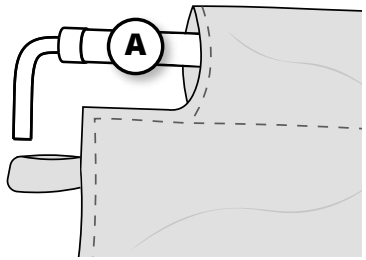
1



2

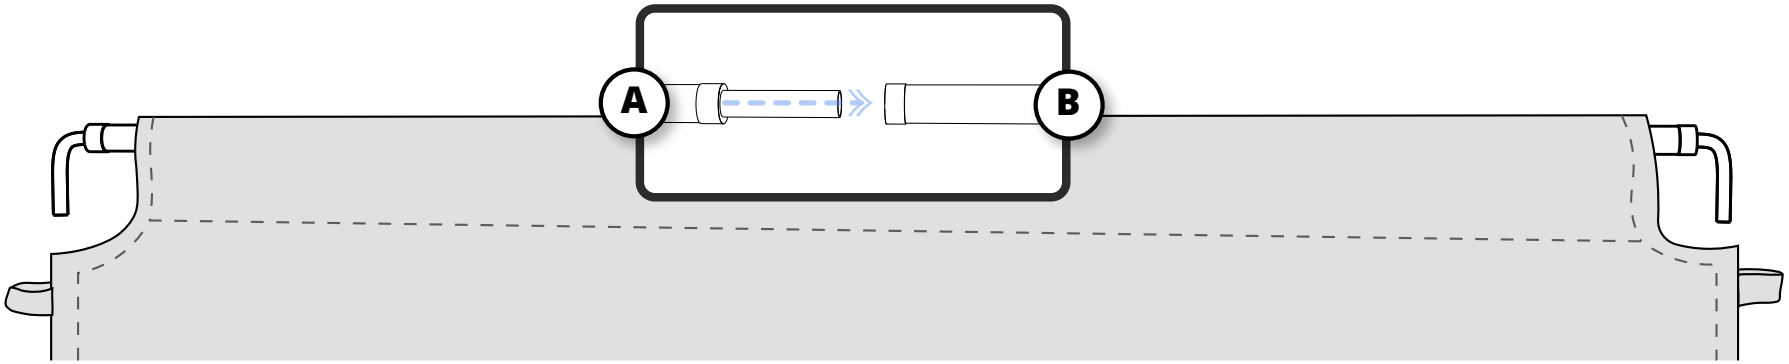


3



NB: The Zoom Tent poles are hexagonal and are not oriented in the same direction.
As a result, the brackets are not positioned exactly the same way on each side.
One of the two brackets is slightly more off to the side than the other.

4



We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE.
