

A cost-effective free-standing display

A superb and more cost-effective alternative to a Pop-Up Exhibition Display. The Torque stand will enable you to have a free standing graphic up to 2400mm wide and 2400mm tall.

- Includes 2400mm × 2400mm bespoke-printed graphic on 440gsm PVC
- Can be supplied with graphic at any size up to 2400mm × 2400mm (please specify if a smaller size is required)
- Graphic supplied with 40mm diameter pole pockets along top and bottom edges
- Telescopic poles for adjustable height and width
- Quick and easy to assemble
- Carry bag for convenient transportation

As the double-sided version of this product features a double-sided graphic, two separate designs can be supplied (one for each side) at no extra cost (versus one design one both sides).
