## ZOOM+ BASES

1 It's important to choose the right base for the type of event, the location and the duration of exposure.

What are the features of our Zoom+ bases?

|    | Description            | Assembled dimensions with rotator | Net weight                 | Use |     | Zoom+ Quill |         |         |         |         | Zoom+ Feather/Crest |         |         |         |         | Zoom+ Edge |         |         |         |
|----|------------------------|-----------------------------------|----------------------------|-----|-----|-------------|---------|---------|---------|---------|---------------------|---------|---------|---------|---------|------------|---------|---------|---------|
|    |                        |                                   |                            | Int | Ext | XS          | S       | M       | L       | XL      | XS                  | S       | M       | L       | XL      | S          | M       | L       | XL      |

● Suitable with the Zoom+ Quill, Zoom+ Feather, Zoom+ Crest and Zoom+ Edge poles

\* Use with the weighting ring UB719-C (Ø 45cm ; 0,3 kg empty / 6 kg full)

\*\* Use with the heavy duty pegs FX620

We do not guarantee compatibility with other makes of pole.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE.
